— **Dear Sir/Madam**

Over the last few years the number of users of AarhusInv (formerly em1dinv) has been steadily increasing, and we are happy that so many people find the program useful in their daily work.

We ask you to print out the form on page two of this document, fill it and return it to us by mail or e-mail. Contact details appear from this document. If you are a student (no matter which level), the form should be signed by your supervisor.

The code is protected with a license system, and a license code will be given when we have received the filled form.

In case you have any questions regarding the program or the form, please do not hesitate to ask.

Yours sincerely
Esben Auken / Anders Vest Christiansen

REGISTRATION FORM, SCIENTIFIC USE

I hereby confirm that the AarhusInv program will be used and handled in accordance with the terms stated below:

- AarhusInv is free to use for educational and scientific purposes. Commercial use is not allowed under any circumstances, unless a specific license agreement has been made with the copyright holders.
- Distribution of the program is not allowed unless permitted by the copyright holders.
- Any user interface made for AarhusInv, or any other program using AarhusInv, must be free to use as well. The AarhusInv copyright holders must be notified of the programming of any such program, and distribution cannot take place without their permission. The AarhusInv copyright holders reserve the right to distribute such a program.
- Use of the AarhusInv should be clearly stated in reports, articles and other written material with the following information: "AarhusInv, HydroGeophysics Group, Department of Geoscience, Aarhus University".
- The program carries no warranty, and the authors take no responsibility of any side effects caused by the program.
